[We regret that Aer Lingus is no longer flying out of BWI airport. For those in the Annapolis, and surrounding areas we will be offering the option of round trip transportation via motor coach from the BWI Amtrak Station to JFK airport. Parking is available at the Amtrak station in an adjacent covered garage. Once the details are confirmed we will let you know the cost. For those who do not wish to take advantage of this offer, or for those coming from out of state, we will announce a gathering place for all to meet and check in at JFK airport.

Payments

A \$200 deposit per person is required to reserve your space.

The initial deposit must be in the form of a check or money order. Credit Cards will be accepted for the final payment only. If you would like the [Travel Protection Plan](#), the \$109 must be sent with your initial deposit. Please make checks payable to CIE and send to Them Eastport Oyster Boys, 521 Second St. Annapolis, MD 21403.

Guaranteed Rates: Please be advised that the rate quoted is guaranteed for the first 26 people signed up. While we will certainly try to accommodate additional people, this rate is not guaranteed those over the 26 mark... So sign up and get your reservation in early!!

Conversely, rates are based on a minimum number of travelers in our group (26) and may be adjusted if the numbers drop below that. So get the word out, tell your friends, family, neighbors and co-workers and lets go!

And... if we can't beg, borrow and steal at least 20 people to go... well...let's just not go there.
